Please find below and/or attached an Office communication concerning this application or proceeding.

Information Disclosure Statement

The information disclosure statement filed 12/22/04 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because the citations "Reit" and "Sakai" do not have dates in the citations. It is noted that on pages 2 and 3 of applicants submission filed 12/22/04 contains dates for a "Reit" and Sakai" reference, but those dates do not match the dates on reference copies for "Reit" or "Sakai". The reference referred to as "European Search Report has no date or application number associated with it. It has been placed in the application file, but the information referred to therein as "Reit", "Sakai" and "European Search Report" have not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609 ¶ C(1).

It is noted that the Examiner has supplied the date for the "Grossman" and "Iida" citations on applicants form PTO-1449 to place them in compliance with 37 CFR 1.98 since the references supplied and the citations at page 2 of applicants response filed 12/22/04 clearly correspond.
